ABOUT ME

Highly motivated BBA Finance student at Tribhuwan University with strong analytical and leadership skills. Equipped with strong analytical skills and a leadership-oriented mindset. I am eager to apply my academic knowledge to real-world challenges. Committed to driving value through critical thinking and dedication.

RESEARCH EXPERIENCE

Research Project: Impact of Technology in Customer Satisfaction | January 2026

- Conducted a quantitative study to measure customer satisfaction due to impact of technology.
- Designed and distributed surveys to collect primary data from 212 respondents.
- Utilized IBM SPSS to perform statistical analysis to identify key demographic trends.
- Interpreted data to provide insights into current digital banking landscape in Nepal.

EDUCATION

2022 – Present **Bachelor in Business Administration-Finance**
Shanker Dev Campus, Tribhuwan University

2020 – 2022 **Higher Secondary Education**
Goldengate International Secondary School, NEB

2020 **Secondary Education Examination**
Indradhanush Boarding High School, NEB

EXPERIENCE

Internship: Citizens Bank International Limited (March, 2026 – June, 2026)

Dedicated my banking internship with experience in the Customer Service Department (CSD), focusing on enhancing client satisfaction and operational precision. I manage high-volume document digitization, systematic record-keeping, and register maintenance to ensure seamless branch workflows. This role allows me to build a strong foundation in banking operations and professional communication within a fast-paced financial environment.

- Customer Relationship Management (CRM)
